

Erratum

In the article by Ö. Yülek, Y. Genç Bahçe, H. Demir, entitled “The Importance of Indirect Hemagglutination Test in the Diagnosis of Cystic Echinococcosis: Serological– Histopathological Correlation” that was published in the August 2023 issue of the Cerrahpaşa Medical Journal (Cerrahpaşa Medical Journal, 47(2), 129-134, 2023., DOI: 10.5152/cjm.2023.22086), the authors declared that the department information of Yasemin Genç Bahçe was erroneously written incorrect and requested a correction.

Author’s correction request was evaluated and accepted by the Editorial Board. The department information of Yasemin Genç Bahçe was changed from Pathology to Medical Microbiology. Thus, the article has been corrected and updated in the journal’s archive. You may access the updated article via the link below.
